Brief description of work to be completed:

Criteria for grading:

Final Grade: \_\_\_\_\_

Instructions:

1. This form MUST be completed and returned to the CS Secretary in Main 414 before registration will be allowed. Students not completing the form prior to registration will be dropped from the registration roster.
2. All work MUST be completed by the end of the semester. Incomplete grades will only be given after demonstrating needs according to University policy.
3. Generally, Undergraduate/Graduate Research involves study and mastery of a body of advanced material, which is NOT offered in any of our current courses.
4. Your report should be adequate to show your mastery of the material studied.
